14 May 1957

Dear Tom:

Reference is made to your letter to [] dated 15 February 1957, setting forth a suggested breakdown of pieces and parts required to make up a complete "C" Configuration based on a 50% - 50% split of the current quantities in Contract SC-21-54.

25X1

Enclosed is copy of letter from Sid to me listing the equipment split agreed to in meetings held here on 21 and 22 March 1957. It is noted that certain additional items listed below, are required to meet the FOG requirements. It is requested that you proceed with the furnishing of these items under Contract No. HF-20-80 and submit your proposal thereon, to me, at the earliest practicable date. Please include delivery dates for each item in your proposal.

The additional items necessary to meet the FOG requirements are as follows:

SECRET

Please refer to NOTE ** in Sid's letter regarding Item 47-a. It is my understanding that we will receive an additional optical system, 180" f/13.8, under Item No. 112-a which will make a total quantity of 6 optical systems. Please confirm this understanding. Should this not be correct, please include one (1) additional system, Item 47-a, in your proposal.
